Steve,

Can you provide the emails/addresses this report needs to go. I will ask David to add those EPA addresses so y'all can get the reports directly.

Subject: RE: TPCN Sit rep 8.29.17 @ 1530

Current Sit Rep – decided that since there will be tons of reports coming in that I would condense report to current day situation and numbers for Texas Poison Center Network (TPCN) and we can look back on previous reports for how it all rolled out.

Health will provide their own sit rep and the poison centers will educate staff as we receive information.

Thank you all for your efforts during this disaster.
